

IBEW Local 6 Hiring Hall Users

Changes to Dispatch Procedures

Effective March 3, 2025

The new online web-based dispatch portal for all users starts on March 3, 2025.

The new Dispatch Procedures (effective March 3, 2025) are under the documents tab in the Member Services Portal/Membership Services in the Labor Power App or the IBEW6 website.

Links to the new app (Labor Power) are active hyperlinks at the bottom of the new Dispatch Procedure.

The “roll call outcome” info will move to the member home page of the Member Services Portal/Labor Power App home page.

All Hiring Hall Users must use this new online Member Services Portal (www.ibew6.org) or the Labor Power Mobile App (App Store/Google Play Store).

- New Referral Office Hours are 7:30 am-3:30 pm Monday through Friday (excluding holidays)
- If you are a (new) first-time traveling member from another local, wanting to get on the out-of-work list, you must come in person to 55 Fillmore Street (7:30 am-3:30 PM), and provide a current Dues Receipt and a Current Travel Letter, and a current Driver’s License to create your new referral profile.
- After credentials are assigned, you can sign in, bid on new jobs, monthly resign, roll call, and electronically remove names from the list, all within the new portal.
- Job Viewing/Bidding will change from the website (4:30pm-7:00am) to 12:00pm-4:00pm (Monday-Friday) in the Member Services Portal/Labor Power App only, then at 4:00 pm, jobs will be assigned via email. If you successfully bid and are awarded a job, you will receive an email stating you have been assigned the job, and you must report to the Referral office the next business day at **7:30 am** with your Current Dues Receipt to receive your dispatch slip. All others who were not successful bidders will be notified by email that the job did not get to you.
- **Reminder:** After receiving your dispatch, two forms of ID, per the Federal I-9 requirements, state cert card, or other requirements, may be needed to be hired.
- All questions should be directed to the Dispatcher for clarification via phone at 415-861-5752 or email: dispatcher@ibew6.org.
