

# 7371 Vacancy Bid

**To: All SFMTA 7371 Electric Transit System Mechanics**

**From: Julie Kirschbaum, Director of Transit** 

**Osha Ashworth, Assistant Business Manager** 

**International Brotherhood of Electrical Workers Local 6**

**Date: September 1, 2022**

**Subject: Vacancy Bidding**

There are thirty-one (31) vacancies in different units throughout the Agency for the 7371 Electrical Transit System Mechanic positions. These vacancies will be available in the CY2023 Annual Division Transfer posting for bids. New 7371 Electrical Transit System Mechanics will be assigned to either current vacancies if not filled by the annual division transfer bids; or, to vacancies created by the annual division transfer process. New employees will report to these vacant positions once they have completed their initial orientation and training. New employees are anticipated to be onboarded in mid to late October, subject to change.

The following vacancies are currently available for 7371 Electrical Transit System Mechanics to bid, which will also be incorporated into the CY2023 Annual Division Transfer:

Shops	Vacancies
Metro Green Light Rail Vehicle Maintenance	6
Metro Green Support Shops	2
Metro East Light Rail Vehicle Maintenance	6
Cameron Beach Car House / Historical Fleet	5
Quality Assurance / LRV4 Acceptance	2
Potrero Shop	5
Presidio Shop	5

7371 Electrical Transit System Mechanics interested in filling vacancies should submit their transfer application between Monday, September 12, 2022 and September 23, 2022. Applications submitted prior to Monday, September 12, 2022 will not be accepted. The last day to submit and/or withdraw the request is Friday, September 23, 2022.
